WELCOME NOTE

Dear Esteemed Delegates,

Non-communicable diseases (NCDs) have emerged as a leading public health challenge in India, demanding a holistic and integrated approach.

Recognizing the pivotal role of nutrition in both prevention and management, this conference aims to bring together healthcare professionals, researchers, academicians, and policy-makers to explore strategies for merging nutrition interventions with NCD care at all levels of health systems.

Hosted by the esteemed **Andhra Medical College**, one of the Oldest medical institutions in India, this event will serve as a platform for knowledge-sharing, dialogue and collaboration in advancing Community Health.

We warmly invite all the medical professionals, public health experts and students to participate in this enlightening gathering. Come join us in **Visakhapatnam**, *the Jewel of the East Coast*—where the serene beaches meet lush green hills, and the spirit of learning meets natural beauty.

Let us come together to shape a healthier tomorrow, guided by science, tradition, and collective commitment.

ABOUT VISAKHAPATNAM

This December, embrace the calm of Visakhapatnam, where the sea breeze turns crisp and the sun rises golden over RK Beach.

From the serene heights of Kailasagiri to the sacred hilltop Simhachalam Temple, the city is a perfect blend of nature and divinity.

Don't miss the peaceful Ross Hill, where three faiths stand united—a church, a temple, and a mosque share the hill, offering panoramic views of the harbour and a symbol of spiritual harmony.

At sunset, the hill glows under the winter sky, making it a truly soul-stirring spot.

Stroll through history at the Appikonda Shiva Temple, and explore maritime wonders at the INS Kurusura Submarine Museum and TU 142 Aircraft Museum along the beach road.

A scenic drive through tunnels and valleys takes you to the misty Araku Valley, where tribal coffee, green hills, and the majestic Borra Caves await.

Venture further to Lambasingi, where winter comes alive with foggy mornings and frost-kissed leaves.

Let the hills, the sea, and the spirit of the season draw you into a winter of reflection, beauty and bliss.
